# Efficient**Excel**

Hone your Excel skills and hit the ground running in your internship or full-time job. Efficient Excel is a **web-based platform** that **teaches** professionals how to do smarter work using **Microsoft Excel.**

FEATURES

Bite-sized videos: Master 200+ concepts in < 5 minutes each

Assessments and practice quizzes: You can identify your gaps, compare your skill to others, and practice what you learned

---

Competition as motivation: Points-system and gamification elements keep it fun and engaging

BENEFITS

- Ensure you are **job-ready** and add value from day one.

- Replace **Excel** anxiety with **confidence**.

- **Differentiate yourself** from your peers.

- Equip yourself with a **problem solving process** and approach to doing smarter work, using all the power that is available in Excel.
